

New TREATMENTS

ISOLAZ

Profusion Skin Therapy is a breakthrough skin therapy that combines the proven clinical benefits of Photopneumatic light treatments with therapeutic skincare. This treatment has an immediate impact on acne and skin rejuvenation.

200.
SERIES OF 6 1000.

LOMI-LOMI MASSAGE

This Hawaiian traditional healing style of massage includes long, firm, flowing, rhythmic movement to deeply nourish the body and soul.

60 MINUTES 145.
90 MINUTES 195.

EPILFREE

Epilfree is designed to gradually reduce and stop further growth of hair. It is safe on all hair types of any color or any skin types. Epilfree complements waxing, and is a solution for hair types where laser is ineffective.
