REG \$350

A combination of the B Essential Vitamins with other Amino Acids, not readily available in foods we eat or in our body naturally. It is safe, and gives you energy, while reducing caloric intake and enhancing weight loss results.

One vial covers two shots weekly for five weeks. Shots can be administered in office twice a week, or we can instruct on home administration for you to do it yourself.

ADD A B12 SHOT FOR \$12

Vitamin B12 shots can help improve your mood, give you an energy boost, and even help your metabolism. This month only, add to any Medspa Service for only \$12 (regular \$20)
